

Capability Statement: Higher Bound Living LLC

"Providing Stability through Supportive Transitional Housing"

1. Company Overview

Higher Bound Living LLC is a premier provider of transitional and re-entry housing solutions dedicated to fostering independence and long-term stability for vulnerable populations. We bridge the gap between institutional settings and permanent housing by providing safe, high-quality residential environments combined with essential life-stabilization services.

2. Core Competencies

- **Housing Management:** Expertise in managing high-occupancy residential environments with a focus on safety, sobriety, and community integration.
- **Re-entry Support:** Specialized housing models tailored for formerly incarcerated individuals, focusing on recidivism reduction through accountability.
- **Stabilization Amenities:** All facilities include comprehensive utilities, high-speed WiFi, furnished common areas, and laundry access. Select programs offer 3-meal-a-day nutritional support.
- **Compliance & Safety:** Strict adherence to health and safety codes, regular facility inspections, and a commitment to meeting state-level certification standards (CCAPP/FARR).

3. Key Differentiators

- **Holistic Environment:** Unlike "bed-only" shelters, we provide a "home-like" setting that prioritizes dignity and personal growth.
- **Strategic Locations:** Facilities are strategically located near public transportation hubs and major employment centers in Santa Clara County, CA and Escambia County, FL.
- **Rapid Intake Process:** Streamlined screening and intake protocols to assist hospital discharge planners and probation officers with urgent placement needs.
- **Service-Focused Technology:** Integrated use of modern tracking tools to ensure accurate reporting for government contracts and referral partners.

4. Facility Specifications & Capacity

- **Total Bed Capacity:** 10
- **Demographics Served:** Adult Men, Adult Women, Transition-Aged Youth (18-24), and Re-entry populations.

- On-Site Support: Dedicated House Managers, 24/7 security protocols, and coordination with external case management teams.

5. Compliance & Industry Standards

- Certifications: [CCAPP/FARR (Planned In Progress)]
- Business Classification: Minority/Veteran-Owned
- Geographic Focus: San Jose, CA (Santa Clara County) | Pensacola, FL (Escambia County)
